## COMMISSIONERS' REPORT.

*To the Citizens of Grafton County:*

In compliance with the General Laws of the State, we submit this our second annual report of your Commissioners, together with the reports of the Superintendent, Physician and Chaplain of the County Farm; Sheriff and Jailor, Solicitor, Clerk of the Court, and County Treasurer of said County.

Your Commissioners have earnestly endeavored to manage the affairs of the County as judiciously and economically as could be done under the existing circumstances, and, while the increase in the cost per week of supporting the paupers at the County Almshouse has been considerably increased, we are decidedly of the opinion that it is as low as can well be done in the interests of humanity.

The inmates at the Almshouse have been well cared for, and a variety of food has been furnished, which has served, in a large degree, to keep the health of the inmates good, there having been very little acute sickness among the inmates during the year.

The County Farm has produced a large amount of hay and grain, which has been fed out to the stock on the farm, which has wintered over fifty head of cattle, besides the horses necessary for use on the farm.

Mr. and Mrs. Brown have done well as Superintendent and Matron, and have been ably seconded by Mr. and Mrs. Norris, in the care of the inmates of the almshouse.

A large part of the inmates are old people, and those of weak minds and feeble constitutions. Most of these require constant nursing, and some medical treatment. Only a very small number of the pauper inmates are capable of performing much, if any, manual labor, and their work can only be performed under the direction of some competent person.

The increased expenditure for the support of paupers away from the County Farm, is almost wholly due to the law passed by the legislature of 1885, in regard to honorably discharged soldiers.

## TO THE OVERSEERS OF THE POOR IN THE SEVERAL TOWNS.

We desire to call your notice to Chapter 25, Sections 5, 6 and 9, and Chapter 83, Sections 1, 14 and 15, of the General Laws, and to inform you that no bills will be *paid* for more than *ten days'* support previous to the proper affidavits being furnished us according to the requirements of these statutes. The evidence as to the settlement must show the name, age, place of present or former residence of the applicant since 1870; the amount of property owned by and taxed to them in any place since 1870; whether married or single; if married, when and to whom; if under the age of thirty-three years, the name and place and residence of parents, the amount of property owned by and taxed to either of them; if they have received any aid, when and by whom; where they have lived for the last two years, and any other material facts bearing upon the matter.

You are requested to present to the County Commissioners, during the first week of each term of Court, all legal claims which said town has against said county for the support of county paupers.

You are requested to look after the interests of said paupers, and be *sure* that each pauper gets a dollar's worth of goods for a dollar, and settle no bills that are not particularly itemized as regards weight, quantity and price.

The towns in the Eastern Judicial District, except Orange, Grafton, Dorchester and Wentworth, may send their affidavits or direct any correspondence to S. S. Brown, Woodsville, N. H. Towns in the Western Judicial District, south of Haverhill, Warren and Wentworth, including Orange, Grafton and Dorchester to H. H. Holt, Lyme, N. H., and the remainder of the towns in the County to S. P. Carbee, Haverhill, N. H.

We desire to express our thanks to the overseers of the poor throughout the County for the interest they have manifested in their able assistance in the care of the unfortunate poor in our midst. The class of paupers that receive aid at their homes, in the several towns, in the County, are directly under your care, and we trust you will give each case a personal inspection, so that no one shall defraud the county, and no deserving ones suffer for the common necessities of life.

We extend to all the citizens, and especially the taxpayers, a cordial invitation to visit the Almshouse, and witness for themselves the manner in which the institution is managed, and thus be better enabled to judge how their money is expended.

Respectfully submitted,

S. P. CARBEE, HENRY H. HOLT, S. S. BROWN,	}	Commissioners of Grafton County,

Total net cost of supporting paupers at Farm for year ending April 30th, 1887,	\$8,585.87
---	------------

In accordance with Chapter 28, Sec. 1, Gen. Laws, the Superintendent of County Farm shall make up his report to May 1st annually, and also Sec. 2 of said chapter requires that the Superintendent's report shall contain, in addition, a list of the paupers actually supported at the Farm, and the number of weeks each was so supported, also a statement of the average cost per week for each pauper, with an explanation of the basis upon which said calculations were made.

The whole number of persons supported and partially supported for the year ending April 30th, 1887 was (138) one hundred thirty eight.

The number of weeks' board is ascertained by taking the number of days between the day of admittance and the day of departure of each individual, and dividing that number by seven, it gives the number of weeks each individual has been so supported.

The total cost of supporting paupers on the Farm for the year ending April 30th, 1887, is \$8,585.87. This sum divided by the whole number of week's board furnished, viz., 5352 1-7 gives \$1.60— as the price per week which includes every necessary of life consistent with the welfare of the inmates, outside of the products of the farm.

Divine services have been held at the Almshouse every other Sunday for the past year by Rev. A. Twichell, of the M. E. church at Woodsville, and I respectfully refer you to his report.

There has been twenty weeks of school at the Farm during the year with an average attendance of 12 scholars. This school has been in charge of George A. Norris, under whose instruction the scholars have made rapid improvement.

In consideration of being absent on duty as commissioner on the equalization tour through the County in the fall of 1886 I have concluded to reduce my salary as superintendent (\$100.) One hundred dollars.

I have to thank the commissioners for many valuable suggestions and hearty support in all matters pertaining to the discipline of the institution.

Respectfully submitted.

S. S. Brown, Superintendent.

Haverhill, May 2nd, 1887.

We, the undersigned, hereby certify that we have examined the foregoing accounts of S. S. Brown, Supt. of County Farm for the year ending April 30th, 1887, and find them correctly cast and properly vouched.

## PHYSICIAN'S REPORT.

---

I submit the following report of that department of the Grafton County Alms House committed to my charge :

The general health of the inmates has been excellent, as there has hardly been a case of an acute disease requiring my attention during the year.

The death rate has been considerably smaller during the past year than any other year since the institution was opened. That the condition of the paupers is very much better in every respect here than is that of the same class of persons outside, a visit to the institution will convince the most skeptical.

The Superintendent and Matron have ably assisted me in my work and with their efficient corps of assistants have done all that good nursing and kind attention could do to relieve suffering and restore health. In closing permit me to thank you for the honor conferred and confidence reposed in me. Appended will be found a detailed list of deaths occurring during the year.

## CHAPLAIN'S REPORT.

---

Gentlemen :— I have completed my second term of service as Chaplain to the Grafton County Almshouse, and have to report that as much as in me lies I have served the inmates of the excellent and well ordered house both by publicly preaching the gospel and by giving such private counsel and comfort as I judged needful at the time. The moral and religious condition of the inmates, so far as I am able to judge, is good and in a healthy condition. I have learned by conversing with a large number of the inmates that the board is both generous and of a good quality, also that the treatment received at the hands of the Superintendent and his assistants is kind and humane.

Respectfully submitted,

ALBERT TWICHELL.

## SOLICITOR'S REPORT.

---

At the May term of Court, 1886, twenty three actions were pending upon the state docket. Sentence was imposed in four of these cases, five were otherwise finally disposed of, and fourteen were continued to the September term. Six of these continued actions were the Raymond cases, necessarily continued, because the respondent, who is out of the jurisdiction, neglected to appear. At the September term, three cases came up by appeal, making a docket of seventeen cases for that term. In three of these the respondents were sentenced, two actions for defective highways were dismissed upon payment of cost, the proper repairs having been made. Eight, including the Raymond cases, were dropped from the docket, and four were continued to the next term. At the November term three cases were added to the number then pending by appeal. Nine indictments, and one presentment for attempt to kill, with certificate of insanity, were found by the Grand Jury, which with two attachments for contempt for refusing to obey subpoenas made nineteen cases pending at this term. In five of these sentence was imposed. The respondent in one was committed to the Asylum for the insane. Three actions were dismissed and ten continued.

At the March term, 1887, eleven cases were added to the docket. Nine by indictment, one by petition and a Libel vs Leguers, transferred from the Police Court of Hanover. Five cases were disposed of finally, two by sentence, and the remaining sixteen are still pending, continued to the May term. Of these continued actions it is probable that five may be disposed of without a trial, two are awaiting the hearing of civil causes involving the same facts, and the remainder were continued to the Plymouth term because they could be more conveniently and economically heard in that district.

There have been two jury trials since the last report.

In the Raymond cases bail was forfeited to the amount of

twenty five hundred dollars, and that amount has been paid to the County Treasurer.

The criminal causes for the past year are classified as follows :

Aggravated assault,	2
Assault,	8
Bigamy,	1
Breaking and entering,	2
Contempt,	3
Cutting aqueduct,	1
Cruelty to animals,	1
Disturbing school,	1
Embezzlement,	6
False pretences,	2
Forgery,	8
Indecent exposure.	1
Libel vs Leguers,	1
Defective highways,	3
Obstructing officer,	3
Attempt to kill,	1
Sale of cider and other cases,	4

Respectfully submitted,

W. H. COTTON, Solicitor,

Dated April 13, 1887.

We have carefully examined the accounts of the County Treasurer, Commissioners and Superintendent of the County Farm and find them correctly computed and vouched.

From the best evidence obtainable by us we believe the goods and articles purchased were at fair market rates, and were legitimately used.

Bond No. 87 was purchased by the Treasurer, by the approval of the Commissioners, for which was paid \$214.50. The bond so purchased, with coupons attached, was produced and cancelled by us; also coupons paid upon outstanding bonds amounting to \$2,064.00.

Respectfully submitted, this 2nd day of May, 1887.
